Mutilation - Black Millenium (Grimly Reborn) (MC)

Black millenium spelades in efter en lång frånvaro från blackmetal scenen. År 2000 beslutade Meyhnach att slå tillbaka och visa världen att Mutilation inte var begravda. Musiken är lite mer sofistikerad, men fortfarande dystert och mörk. MC.

Mutilation - Destroy Your Life for Satan (MC)

Hatisk, depressiv, rå black metal från dessa franska mästare som har överlevt tid och död för att hemsöka denna förfallna värld! Detta är hymnen till din bortgång! MC.

Vintern 2009-2010 beslutar Meyhnach att spela in dessa stycken, inte tänkta att släppas, glömdes bort och ansågs förlorade, nu funna i Meyhnachs arkiv och nu tillgängliga precis som de lät. En vittnesbörd om Mutilation's dystera förflutna. Mutilation är kult i den franska Black Metal-scenen. MC.

Ramones - Gimme Shock Treatment (Red Vinyl LP)

Tidigt 1978 bestämde sig Tommy Ramone för att sluta uppträda med Ramones för att koncentrera sig på att producera. Hans plats togs av Marky Ramone och bandet gick in i sin mest framgångsrika fas. Beviset kan höras på denna radiosändning från WBUF FM i Buffalo den 8 februari 1979. Med en QR-kod för nedladdning av en medföljande e-bok som berättar historien om Ramones. Ramones - Tommy's Last Stand (Yellow Vinyl LP)

Det sista inspelade framträdandet någonsin av Ramones med Tommy Ramone på trummor. Kort efter den här live spelningen på 4 Acres, Utica, New York, lämnade Tommy trumpallen för att ta en ny roll som Ramones producent, ett partnerskap som skulle driva bandet till ännu högre höjder. En fantastisk återspeglning av den ursprungliga Ramones line-upen. Gul Vinyl LP.
